GOVERNOR OF NEW MEXICO RESIGNS

Territorial Legislature Requested His Resignation—President Roosevelt Names George Curly Governor of Samar Province to Succeed Him.

Washington, April 18.—Governor Hagerman, of New Mexico, has resigned and the president has appointed Captain George Curly, governor of Samar province, Philippines to succeed him. Hagerman's resignation is "by request," and is the result of charges preferred. The territorial legislature passed a resolution asking him to resign. The charge is that he turned over 7,000 acres of land to the Pennsylvania Development company without authority of the law. Hagerman is wealthy and a personal friend of the President.

MALLOY REFUSES TO ASSIST FORAKER

Former Oil Inspector Says He Will Have Nothing More to Do With Foraker and His Organization—Simply Says, "I am Through."

Columbus, O., April 18.—John R. Malloy, former state oil inspector for who has served as secretary of the Republican state central committee in more than a dozen campaigns has declared that he will never act in that capacity again, nor will he have charge of anything whatever to do with the Foraker headquarters to be opened in this city. "I am through," is the way in which Malloy announced his retirement. Malloy is perhaps better acquainted with the politicians of Ohio than any other man. He was a page in the state constitutional convention and in 1876 became a clerk in the office of the auditor of state. Since then he has taken an active part in every campaign. Senator Dick who was expected to come to Columbus Monday to look after Foraker's interests has failed to arrive and former Secretary of State Daniel J. Ryan is still staying at the tender of the management of the Foraker campaign in Ohio.

John H. Price, chairman of the Cuyahoga county Republican committee, and J. H. Cassidy, secretary to Congressman Burton who were here yesterday, said the sentiment in Cuyahoga county is all for Taft, and that the county committee is for Taft to a man. They conferred with A. L. Vorys at the Taft headquarters and also called on the governor.

JEROME SAYS MRS. HOLMAN TOLD THE TRUTH

He Says She Never Furnished Him With Any Facts to be Used in the Trial—Insanity Laws of New York May be Amended by Present General Assembly

New York, April 18.—Although District Attorney Jerome returned to his office from a visit to his home in Lakeville, Conn., no move had been made last evening toward an application for Thaw's release. Daniel O'Reilly, of Thaw's counsel, called on Mr. Jerome but said the matter of bail was not mentioned. Mr. Jerome, in speaking of the case, said that his position is unchanged from what it was immediately after the jury reported a disagreement, namely that he would oppose in every possible way the release of Thaw on bail. When questioned about the signed statement issued by Mrs. Nesbit Holman, mother of Mrs. Harry K. Thaw, Mr. Jerome said he had read it. "I can't vouch for some of the things said by Mrs. Holman because I don't know about them," said the district attorney, "but I can assure you that when she said that she furnished the district attorney no information for use in connection with the trial of Thaw, she spoke the truth. Mrs. Holman never gave us any information."

Harvey Thaw informed the keepers in the Tombs prison that he was ill when A. Russell Peabody of his counsel called at the prison. Thaw was still in bed but, on being informed that he could not confer with Mr. Peabody in his cell he went to the conference room and consulted with Mr. Peabody for two hours. At the end of it Mr. Peabody would make no statement.

Mrs. Evelyn Thaw, who was waiting to see her husband, was asked if she had any reply to make to her mother's statement. "Not a word to say on any subject," was her reply. Clifford W. Hartridge last night, after A. Russell Peabody had had a talk with Harry K. Thaw in the Tombs, made public the following letter:

SENATOR ELKINS IN DANGER OF ARREST

Washington, April 18.—United States Senator Elkins, of West Virginia, narrowly escaped arrest this afternoon as the suspected pal of an alleged female shoplifter. Detectives in plain clothes had the woman at a patrol box in the shopping district, and she was struggling fiercely. Senator Elkins, not understanding the case, roundly upbraided the officer. The latter retorted and would have nabbed the Senator had some one not given him a "hunch."

QUAKE VICTIMS NUMBER 600.

Mexico City, April 18.—The latest estimates of dead in the earthquake give six hundred, with three hundred injured.

DYNAMITE RESIDENCE

Home of Catholic Clergyman Blown up—"Black Hand" had Sent Threatening Letters

Hazleton, Pa., April 18.—Early this morning the parochial residence of Rev. Yankola, pastor of St. Joseph's Catholic church, was blown up with dynamite, but no one was seriously injured. Several weeks ago the clergyman received a "Black Hand" letter in which the writer threatened to kill him unless he left the city. There were two warring factions in the church and the clergyman was very unpopular with one faction.

DR. HAUGH GOES TO THE CHAIR TONIGHT

Columbus, O., April 18.—Dr. Oliver C. Haugh, of Dayton, convicted of the murder of his parents and brother, will be electrocuted tonight. Gov. Harris said yesterday he would not interfere.

"I do not anticipate any application for a stay," he said, "and so there would be no occasion for me to interfere with the execution of the sentence." At the penitentiary, it is said Haugh is as indifferent as ever to his fate. He has never had any visitors and apparently never has desisted any.

BRIDE IS AT HOME; GROOM IS IN JAIL

Ashland, O., April 18.—Victoria Boeborg, aged 14, who eloped from here with Earl Cane aged 27 and was married in Canada, is at home of her parents here. Cane is still in jail but will probably not be prosecuted. The girl says she loves Cane and will stick to him.

ANOTHER VENIRE WILL BE NECESSARY

Wooster, O., April 18.—Little progress has been made in getting a jury for the murder trial of Allen Miller. It will probably be necessary to draw another venire.

TRIPPLE ALLIANCE

Sought to be Broken by Great Britain Hence King Edward's Visit to Italy.

Gaeta, Italy, April 18.—King Edward and Queen Alexandra arrived here today aboard the British royal yacht Victoria and Albert, for a visit with the Italian king.

Europe regards this meeting of monarchs as of great political significance. England is trying by diplomatic means to detach Italy from the Triple Alliance, since breaking off the "Triple" would further isolate Germany. England wishes to secure Italy's support to the proposal she will make to the Hague conference to limit the armaments of nations. Later King Victor visited King Edward aboard his yacht, and they held a long private conference.

GENERAL OUTBREAK

May Follow Fighting Between Socialists and Workmen in Lodz Factories.

Lodz, Russia-Poland, April 18.—Fighting between Socialists and workmen in the factories has been continuous for forty-eight hours. Twenty-five casualties are reported. The Socialists declared no workmen shall labor in the factories, and bloodshed followed efforts to carry out this edict. The police stood calmly by, watching the encounters. It is feared a general outbreak will follow.

DEPUTY SHERIFFS ARE BLAMED FOR LYNCHING

Marksville, La., April 18.—Charged with manslaughter for alleged carelessness in allowing a negro, Charley Strauss, to be lynched, Deputy Sheriff J. E. Keegan and J. J. Salmon were yesterday arrested and placed under \$100 bond each. Strauss was hanged to a tree in the woods near Eola, La., where a crowd of masked men met the deputies as the latter were escorting the negro to jail.

THREE INDICTMENTS IN THE WESTBROOK CASE

Mt. Gilead, Ohio, April 18.—Herbert Glenn, Jerry Williams and William Mauck of Cardington, who were indicted for murder, Wednesday, are charged with killing Shad Westbrook at Cardington in 1904. Westbrook was a rich farmer. He came to Cardington with a large roll of money and was last seen alive in a saloon there.

ELOPERS INTERCEPTED

When Sent Back Home They Jumped Into River and Were Drowned

Staunton, Va., April 18.—Mable Pendleton and Stuart Guay, of Clifton Forge, enroute to Washington to be married, were intercepted here by order of their parents, and sent back home by train. When they arrived at Clifton Forge, the young couple while crossing a footbridge over the river, jumped into the river, 40 feet below, and were drowned. The bodies were not recovered. The girl was only 18 years old and the boy was 16.

FORCED TO PAY DUTY

Leeds was Forced to Put up \$110,335 on an Imported Necklace

New York, April 18.—The social war between Mrs. W. B. Leeds, No. 1 divorced from the tin plate magnate in 1896—with a "dowry" of a cold million—and his present wife, who was Mrs. May Stewart Werthington of Cleveland, took a new turn yesterday when agents for Mr. Leeds were forced to pay into the treasury department at Washington \$110,335, to be added to the cost of \$250,000 necklace, bought in Paris last year. The money will remain in the hands of the United States government if the general board of appraisers decides that the duty on this pretty bauble should be 60 per cent. ad valorem instead of 10 per cent. Friends and foes of the two Mrs. Leeds are fond of telling of their social war in Europe. The first Mrs. Leeds, in addition to the \$1,000,000 settled on her, had a fortune of her own, and was well able to maintain herself in luxury. It was in the course of travel that she met her former husband and his second wife on their honeymoon.

EDDY SUIT WAS NOT BROUGHT IN GOOD FAITH

Defendants Claim That Mrs. Eddy's Relatives Allowed Their Names to be Used by Certain Enemies of the Christian Science Church.

Concord, N. H., April 18.—The charge that the suit for an accounting of the property of Mrs. Mary Baker G. Eddy, filed March 1, was not brought in good faith by the so-called "next friends" named in the suit, is contained in the answer of the defendants in the action which was filed in the Merrimack county superior court yesterday.

The defendants charge that these "next friends" have been induced to lend their names for use in the suit "at the instigation and at the expense of certain evil-minded persons not related in any way to said Mary Baker G. Eddy, or having any interest in her estate."

The answer of the defendants is a general denial of all the allegations made by the complainants in the original action, who sued as Mrs. Eddy's "next friends." Yesterday's proceedings furnished the latest chapter in the story of the litigation which has already become involved by the transfer on the part of Mrs. Eddy of all of her property to three trustees, who have petitioned the court to be substituted as plaintiffs in place of the original parties and the answer to this petition filed by the latter, declaring that the deed of trust was illegal on account of the alleged incompetency of the grantor to create a trust.

The specifications in the original bill are that Mrs. Eddy is and for a long time has been incompetent to do business, or to understand transactions conducted in her name; that the defendants, whose answer was filed yesterday, with other leaders, who were named in the original bill have possessed themselves of the person and property of Mrs. Eddy and have carried on her business that owing to Mrs. Eddy's infirmity these persons are bound to give account of all transactions undertaken in her name and that the defendants have wrongfully converted property to their own use.

KIDNAPED MARVIN BOY IS LOCATED

Police Believe They will Have Lad in Hand Before Nightfall—Report Says the Boy is at a Place on the Nanticoke River.

Cambridge, Md., April 18.—It is reported here that Horace N. Marvin, the missing son of a Kittshammer physician has been located at a spot near here on the Nanticoke river. The police have left for the scene and expect to have the boy safe before nightfall. The report appears to be well grounded. A man named Brittingham reported to the sheriff that he had seen a man and woman with a boy in the woods near his home. They had a cabin boat. Brittingham identified the photograph as that of the Marvin boy with the couple. The head waters of the river reach within fifteen miles of Dover and the officials feel certain that the boy is the Marvin child.

GILMANS BOUND OVER

Four Members of the Family Arrested on Charge of Murdering Dona Gilman.

Dayton, O., April 18.—Affidavits were filed in Magistrate I. L. Holdeman's court yesterday afternoon, charging Mrs. Leah C. Gilman, mother; Collins, a brother, and Fayne and Bessie, sisters, with murdering Dona Gilman, whose body was found on a common near her home Nov. 29 last, and later, with the exception of the daughter Bessie, who has been living in Germantown, and who will be in court today, the accused members of the family appeared voluntarily and gave bond for their appearance. The mother and son were released on \$2500 bond, and Fayne Gilman on bond of \$1000. The grand jury recently ignored the case against the Gilmans. The attorney filing the affidavit said there is no new evidence.

MYSTERY SURROUNDS A WHOLESOME POISONING

Chicago, April 18.—The three surviving members of the Mette family of this city, two of whose members recently died of arsenic poisoning, were made violently ill yesterday by partaking of food in which the police declare arsenic had been placed. The police department claims to have information that three attempts have been made to kill this family and a deep mystery surrounds the case. A large number of detectives are working on it.

Frank Mette, the father of the family, died last Saturday, and Mrs. Mette, his wife died April 6. Three other members of the family were also made ill and are now in the hospital. Of those remaining in the house, three sons today were poisoned by eating oatmeal, which had been brought into the house since the father of the family died. It is doubtful whether any of those who were poisoned yesterday will recover.
